Background

The Department of Animal Husbandry & Dairying, Government of India is implementing the scheme of National Livestock Mission since the financial year 20-21-22. The scheme of National Livestock Mission (NLM) aims towards employment generation, entrepreneurship development, increase in per animal productivity and thus targeting increased production of meat, goat milk, egg and wool. The concept of NLM Scheme is to develop the entrepreneurs in poultry, sheep & goat, pig, feed and fodder development in order to create the forward and backward linkage for the produce available at the unorganized sector and to link with the organized sector.

2. The NLM has decided to develop entrepreneurship in the rural poultry development, sheep & goat, piggery, feed & fodder development in order to invite the private investment as well as the rural youth to come forward in these sector so as to enable them self-reliant. This will help the country Atmanirbhar in the Meat, egg and wool production which after meeting the domestic demands can be exported to earn foreign exchange.

3. The Government of India has decided to incentivize such entrepreneurship development through providing 50% back-ended subsidy for the project cost as mentioned against each of the entrepreneurship projects attached with this EOI.

4. All the projects envisaged should preferably have a Hub and Spoke models where the beneficiary entrepreneur will act as Hub and the farmers of the catchment area will get the benefit of the produce of hub. In this way, chain of forward and backward linkage will be developed for better pricing of the products produced by the farmers.

4. Eligible Entities: Individuals, Farmers Producer Organizations, Self Help Group, Joint Liability Group, Section 8 companies.

5. Eligibility Criteria for the Entrepreneurs to avail benefit.
